Nick,

Please see the below denial of the subject bill from NPFC. Please work with NPFC (copy me on any correspondence) to resolve the issues, or if it cannot be supported, then the costs will need to be corrected off the HR fund. Please keep me apprised. Thanks.

EPA Please note, this billing (Weston Solution Inc) is outside of the incident completion Report, generated by

Weston. Please note the ACKNOWLEDGMENT OF COMPLETION REPORT and CD was delivered to the NPFC 6 March 2014. This period of service is 03/29/2014 thur 05/23/2014.

Subsequently, the NPFC generated a final bill and has been working closely with the involved parties to complete debt collection from a Public Facility.

This additional billing is not supported as a billable activity related to the oil removal activity, as presented.
